

LET'S REBUILD REGIONAL INVESTMENTS TOGETHER

Regionally is a **private members investment platform**. We connect **established businesses** based in the UK's **regions**, with **private global investors**, through connecting them to our **ecosystem** of advisors and partners.

What does **Regionally** do?

70p per every £1 is invested into London and **77% of all private equity and venture capitalist** firms are based in London...

Yet **2/3's of high growth businesses** are based in the UK's **regions**.

Regionally is here to **connect** these global private investors to the UK's **established regional businesses**, via our **ecosystem** of partners and advisors across the UK.

"Delighted to be working with Regionally to help fast growing entrepreneurs get access to the funding they need to fulfil their ambitions."

Mark Brownridge (previous Director General, EISA)

WHAT CAN REGIONALLY DO FOR YOU?

I'm an **investor**...

Are you a **private investor**, looking for an **alternative source of deals**, not found elsewhere? Join Regionally to **connect** you to **regional based growth stage** investment opportunities. We work with **partners across the UK**, that connect you and other investors to our deals.

I'm looking for **funding**...

Are you an **established business** based in the UK's **regions** and looking for funding of between £500,000 and £15,000,000+? Join Regionally to **connect you to our ecosystem** of advisors, partners and investors, and access the funding you need to **grow**.

I want to **introduce**...

Do you work with **businesses looking for funding** and **investors wanting to invest** into alternative deals? **Connect** your network to Regionally's **ecosystem** and have the opportunity to **share our success fee** when you introduce to a successful deal.

I'm an **advisor**...

Lawyers and **accountants** work with Regionally's investment opportunities to prepare them for investment. Help to **grow regional economies** through **connecting your network** of businesses that are seeking funding and investors who are seeking to invest, to the Regionally **ecosystem**.
